Sidewalks are scheduled for installation on West Boyd Street as part of the FYE 09 Concrete Projects Contract. Prior to the installation of the sidewalks, tree removal is necessary on Boyd Street between Pickard Avenue and Merrywood Lane. The City of Norman's Park Maintenance Division has scheduled this work for Tuesday, May 4 and Wednesday, May 5, 2010, weather permitting. Boyd Street will be closed to through traffic between Berry Road and Flood Avenue on both of these dates between the hours of 9:00 a.m. and 3:00 p.m. Detour signs will be provided to direct motorists around this closure.
